**Pole Position Raceway** is home to the ultimate hands-on racing experience. We can handle everything from birthday parties, bachelor parties, and corporate team building events to holiday parties, new product launches and fundraisers. Whether you simply want to walk in and be scheduled in a public race or rent the entire facility for a private affair, our friendly staff is ready to serve your needs.

**Pole Position Raceway** is built for racers by racers and we offer the most-consistent racing experience in karting. Our professional staff is focused on assisting racers to become better drivers while maximizing the fun factor. All of our indoor climate-controlled locations feature quiet emissions-free electric karts and professionally designed tracks to keep the adrenaline flowing. We also have state-of-the-art audio visual equipment, sparkling clean restrooms, genuine racing memorabilia, and quality awards and trophies for special events. It's no wonder why Pole Position Raceway has become America's #1 Family Racing Experience.

RACEWAY

**Pole Position Raceway** has become the county's favorite place to hold corporate team building exercises, employee rewards programs and holiday parties. We have hosted hundreds of events for companies of all sizes, and each adrenaline-filled event is customized to fit the specific needs of your organization. After providing our Event Coordinators with the number of racers, the type of races you would like, your date and budget, Pole Position Raceway will be able to create an experience geared to your group's satisfaction.

Companies have their choice of selecting one of our group races (Pole Position Challenge, Grand Prix or Super Pole as seen on the previous page) or renting the facility by the hour. When renting the track by the hour, Pole Position Raceway can customize race formats that are not offered to the general public such as the following:

***PolePositionRaceway.com***

### **TEAM RACING**

(24-72 racers)

Depending on the size of your group, we can divide the racers into various teams which can be designated by different color Pole Position Raceway t-shirts. You can choose between standard 12-lap races that are run against the clock, or we can combine timed racing with real head-to-head race action. Awards can be given to the team with the most points, fastest track time, or fastest combined score. Your Event Coordinator can assist you with other fun awards such as best helmet hair, least likely to make NASCAR, etc.

### **ELIMINATION RACING**

(12-48 racers)

Each driver gets a 12-lap timed qualifier before they are placed into brackets based on speed. The next step can be done through head-to-head racing or simply racing against the clock, but only the fastest drivers advance to the next round. It's up to you as to how many drivers transfer, and the elimination format doesn't stop until a champion has been decided.

### **ENDURANCE RACING**

(20-48 racers)

Call it LeMan's-style racing, relay racing or endurance racing, but this format emphasizes the true team spirit. Drivers are broken into 4-8 teams in races that are run non-stop for up to three hours. Once the green flag drops in this head-to-head race, each team has one driver on the track at all times. The goal is to complete the most laps in the least amount of time to support the team's overall position. The true team building spirit actually develops as drivers learn what they are doing right and wrong.

### **OPEN RACING**

(unlimited racers)

Racers are placed in our standard 12-lap races that are run against the clock

### **FULL FACILITY RENTAL**

\$1,230 (Monday-Thursday)

\$1,520 (Friday-Sunday)

### **OPTIONS WITH FULL FACILITY RENTAL**

- T-shirts reduced to \$10 per person
- Membership discounted to \$37.95 per person

### **Makita Pit Crew Challenge**

We've all seen those perfectly choreographed pit stops in NASCAR that take less than 12 seconds to change tires, add fuel, clean the windshield and make chassis adjustments. Well, now is your chance to test your skills on one of the elements in Pole Position Raceway's Makita Pit Crew Challenge. The object is to change all four tires on our high-performance Monster Kart in the least amount of time possible. This is designed for 1-5 teammates, and like in business, the strategy depends on how many people are involved. The Makita Pit Crew Challenge requires a \$100 setup fee and 24 hours advanced notice.

### **Blindfold Challenge**

We place two drivers on the course at a time and they have to complete one lap around the course while blindfolded. The drivers communicate with their teammates via walkie-talkie in an effort to complete the fastest elapsed time.

Kid's must be at least 48" tall and be able to safely operate the karts. There is a minimum height of 56" required to drive adult karts.

Our packages are designed to make your event more private, since most groups don't wish to have other people in their races. The package also includes a reserved time for your race so you can avoid a potential wait. Our F1 room rental requires a \$50 cleaning deposit. Please call an event coordinator at 951/817-5032 or visit PolePositionRaceway.com for more details.
